“ *My lifelong friend!!! I met him when we were in 7th grade. He was a big support to me when I was pregnant. He would bring me a strawberry popsicle almost every day. My mom thought he was a Saint and would not allow me and my cousin to go to teen parties unless Smokey was escorting us. Of course, we ditched him the minute he got us out the house. Those were just some of the fun times we shared. Love you Smokey. Rest in Peace. Your childhood friend...Gwen Butcher*
