“ *I'm so hurt, but I'm at ease. You was more than a little cousin because you was my ONLY little cousin out of the grands. I love your soul. So sweet, blunt, innocent .. your energy alone was powerful just by hearing your voice. I love you so much Kiki, until we meet again. -your (Tee-Ann-Wee)*

“ *Dear Annette and Family,*

It is with a very "heavy heart" that my family and I send you our deepest condolences.

Annette, I pray that God will continue to "walk you through" this extremely difficult time in your life. I also believe that in time, the precious memories that you and Kierra have shared will bring you more "peace" than pain. If you would like to contact me at "anytime", please contact my sister for my information. In the meantime, I will continue to keep you and your family in our prayers.

*With love always,
Wandalyn Andrews*
