DON'T CRY FOR ME

Don't cry for me now that I have died, for I'm still here by your side, My body's gone but my soul is here, please don't shed another tear, I am still here I'm all around, only my body lies in the ground. I am the snowflake that kisses your nose; I am the frost that nips your toes. I am the sun, bringing you light; I am the star, shining so bright. I am the rain, refreshing the earth, I am the laughter, I am the mirth. I am the bird, up in the sky; I am the cloud that's drifting by. I am the thoughts inside your head, while I'm still there, I can't be dead.
