“ *Lizzette was so generous with everything. Whenever we came down for a family event, she welcomed us in her home. Oftentimes I think about her. To Kendra and grandkids, other immediate family, and extended family members: May God's comfort strengthen you in your sorrow enabling you to achieve great things in Lizette's memory.* ”

“ Lizette was my family on my  
my Dad's side. His sister was my Aunt, and her son (Myron)  
Lizette's dad was my 1st cousin. That's how Lizette and me are  
Family forever. She was a child when I moved away. The last time I  
saw her she had become this beautiful woman with a beautiful spirit.  
She will always be in my heart. She is now in Heaven with her  
Heavenly Family. You made it. Love you always.
