“ *To the Family*

I am so sorry to hear of your loss. Death is something that no one is ever fully equipped to deal with. There can never be to much comfort to offer. I hope that in your time of grief I can offer you a little hope and encouragement. Turning to the Bible is something that really helps me deal with pain. There is one scripture that really breaks me down. It is at Rev 21:4 and it says " And He will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."..... What a comforting thing to know that God promises he will out all our pain and suffering and put an end to death completely? I hope even this one scripture eases your heart a bit. If it does and you would like to hear more please feel free to write to me at teconner14@gmail.com. Again I am so sorry for your loss and pray that God be with you and your family.
