“ *Marisha,
You will be missed but never forgotten. You gave me and my daughter the spice of our life when you shared your baby girl with us... Danielle. I thank you for your support through the years I thank you for blessing us with you being apart of our lives. Your smile always let me know how much you love you carry in your heart. Yes it would light up a room. Missed but never forgotten!!! We will long to see you from time to time but trust and believe we shall hold to the memories as they cross our mind. A lover of life that's you to me!!! Ford Tough as you can be!!! Thank you so much for sharing your precious gems with me (your children). We will continue to be here for them as you would want us to be.
We will reach for you now more than ever... For you are missed...
Forgotten... No Never
