“ Marjie you are a true friend and it breaks my heart and I am truly sorry for missing your service today! I would have been there if I had known it was today. At least I saw you and spoke to you before you took your rest. Your family has my deepest sympathy and condolences from me and my family . You were and are one of my best neighbors, co worker, and friend that I could have .

“ Marjorie and I were classmates, we shared a girly girl friendship imagining our life in the big picture a fairy tale kind of thingy. We made up things as kids with dreams sometimes do . We played guessing games about our personal life. We shared a peaceful friendship Marjorie was laid back soft spoken n a bit shy. I was welcomed in her home. Dot Williams was easy to rap with. Yep we rapped with each other about life.. Big bro was always a quiet gentleman. God Bless the Family my condolences to her Son & Dear close relatives. My friends called me Sis Council by the way

“ My Dear Friend:
It is unbelievable seeing this. I have missed you since you went into hospice because I could no longer share those conversations that we had so often. I thank God for you!
