“ My goodness ,MR.D how you will be missed.... You made my child ,Abby, feel very special as you did me when I saw you several years after she graduated.I wondered how you could remember ALL the students ,and, parents like you did..it was because you really cared.I loved seeing and chatting with you when you come into my workplace to shop..God is truly smiling right now embracing you....WHAT a musical phenomenon that must be going on now!

“ Most students will remember Mr. Davenport because of his music. However, I remember him most fondly as my 10th Grade World History teacher at Freedman High School in Lenoir, NC. He was the best Social Studies teacher that I have ever had, including my college years. I was happy to see him at my 35th class reunion. I offer my sincere condolences to the family. May your precious memories bring you much comfort.

“ Mr. Davenport (or D as his students knew him) was one of the best men I have ever known. He was a great teacher, wonderful mentor and godly example to all who were lucky enough to know him. He was a rock for me when my father passed away when I was 15-he was there when I got the news and he comforted me when I decided to come to the football game that same day. I pray for his family and know that God has wonderful plans for him in heaven with him. We love you D and we will see you again some day.
