I am writing to express my condolences on the lost of your beloved family member, Michael Bloomfield Sr.. It is extremely sad to see someone so young die. Although it is true that we have never meet one another, we share a common enemy that has robbed us both of happiness, the Bible describes the enemy in the following way, "For he must rule as king until [God] has put all enemies under his feet. 26 As the last enemy, death is to be brought to nothing". (1 Corinthians 15: 25-26) The Bible therefore describes death as the great enemy of mankind, but it also assures us that this great foe will be done away with. For example, Revelations 21:3-4 tells us, "With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

What a wonderful time that will be, never again will the papers declare the death of one of our loved ones, the only proclamations we hear about will be the glorious announcement of another person being resurrected from the dead. John 5; 28-29 assures us "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life . . .".

As one of Jehovah's Witnesses I have been commissioned to tell abroad the "Good News of God's Kingdom", I would love the opportunity to discuss further with you more of the blessings that Jehovah God has in store for obedient mankind. Thank you for allowing me to intrude into your home this evening.
