“ Mike was a very special, sweet, genuine, supportive, intelligent, handsome, funny and loving friend. I'm forever appreciative to the most high- god chose me as a peer/support/ friend for Mike. I'll forever cherish our memories especially late conversations filled with so much intellect, enlightenment, encouragement, lots and lots of laughter and friend/family love. It was such a pleasure to assist, advocate and accompany you on your journey which led to success in all you desired.

Love ya M.Quick 🤔❤️
