“ Rest assure it was never God's purpose for man to die. Satan the devil cunned Eve into eating from the forbidden gree which led to sin. Romans 5:12 tells us the reason why we all die-because of inherited sin which spread to all men, from the one man Adam. John 5:28-29 gives us hope that just as Jesus called out to Lazarus "all in the memorial tombs will hear Jesus call, "Myrtle Elizabeth Athrum Davis, come on out"!
