“ *As water reflects the face, so one's life reflects the heart. Proverbs 27:19*

Nancy Lee McDonald was a most loyal friend and neighbor on Capitol drive for many years. She expressed love and concern all the neighbors. If you were sick, she made it known to other neighbors so they could express love care and prayer. She was joyous in serving God and others with love. She met no strangers and just after a short conversation had you all tied up in stitches with her sense of wit and humor.

Our hearts are filled sadness that a voice for all things good and just is silent. May we all who knew and loved her feel God's presence guiding us through this difficult time.

Peace and love.

“ *With Deep Sympathy*

An outgoing and fun loving friend and neighbor, Nancy made a tremendous impact on all those who knew her. A very diligent and tireless community worker, she pursued that interest with great passion. She was Secretary for the Capitol Drive Improvement Association and participated in all programs and projects in the Moore's Sanctuary/ Plato Price/Capitol Drive/West Boulevard areas of Charlotte. Our prayer is that God will grant Grace and Mercy to the family for today, tomorrow and all the tomorrows to come. Without question, Nancy has left her footprints on the sands of time. We give glory to God for one Nancy L McDonald who lived among us in grace, truth and love.
