“ Ms. Pat thank You so very much for the countless times you drove me to church in your Mercedes 🚗 and for all the time I spent together in fellowship with you and your biological sister Yvette. I make the distinction because I consider myself the little sister of the two of you. I miss you my big sister. I love you with an everlasting love. Rest In Paradise...your sister in Christ.. “ On behalf of the Anderson Family, we would like to extend our deepest condolences to the Adams Family on Pat’s transition.

There are no adequate words to express the pain and hurt one feels when a beloved member of their family passes. We know that with as much love Pat gave, she was well loved and respected back. She had a great character and a big heart. Her loss can never be easy, but she knew the Lord and believed that Jesus died and rose again, even so she also who sleep with him will rise with him when he returns. We hope you know that even during this difficult and sad time, Pat will always be with you in spirit.

We hope all the cherished memories that you have of her bring you some light during this dark time.

In Revelation Chapter 14 verse 13 the bible tells us: “Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit that they may rest from their labors; and their works do follow them”. So, we believe based on God’s Word that Pat will receive her reward from her Lord. Therefore, all her hard work, all her giving and loving and forgiving and kindness were not in vain. So, it is okay to go Pat, take your well-deserved rest you fought a valiant fight, you have finished your course...now receive the crown of righteousness you so greatly deserve. You will be greatly missed. Rest In Peace.

May the Joy of Lord be your strength family.

The Andersons.
