

Pedro Angel Velasquez

September 6, 1969 - January 31, 2019

Pedro was a very beautiful person inside and out. The ones who had the chance to meet him couldn't tell you otherwise. Unfortunately his family is in a position they never thought they would be in. We had to say goodbye sooner than we thought. Pedro touched so many people's lives. He was loved by so many including his airline co-workers.
