“ *Porsche & Family:*

My friend, please know that you and your family are in my thoughts and prayers. You now have a very special guardian angel watching over you. I'm always here for you, whenever you need me. I pray that God gives you strength, mercy and grace during your time of sorrow.

*Ms. Porsche and Family,
With deepest condolences and love, I pray that God keeps his loving hands around you and your family during this difficult time. Your mom got her wings and went home to be with our heavenly father. As time passes by, our father will ease your pain and give you beautiful memories of your mom. Uncle Sandy loves you and pray that those beautiful memories come soon. Don't get stuck remember God's plan is always good. Dr. Sandy Hoagland, Jr.*
