Tribute Wall

BF

“*Condolences to the Family in your loss. Losing someone we love is heart wrenching, and the pain goes deep. May the love of Family and friends give you the comfort you need. And may knowing that others care, especially God, give you strength and soon peace of heart. The attached book, "When Someone You Love Dies", was very helpful for me at a similar time in my life. I hope you can get a copy to read.*
