“ Regina, I thank you for the laughs. I thank you for the LOVE. I thank you for accepting me and not even knowing me. No matter how bad something seemed, you knew how to have fun and enjoy this crazy world. From the time my car went rolling down the hill of your yard off Of Beatties Ford, to our laughs on the swing at Ricky and I's cabin in the mountains (insider), to the wonderful meals and conversations we'd have when I came to your house after ECPI anticipating a great lunch that you'd prepared for your babies with me in mind. You kept me smiling and laughing. Sometimes to the point of tears. I was so happy for my sisters to finally meet you at my shower, wedding and see the love that you, Decy and I shared. That no matter how long it had been since we had spoken. .. our love for one another shined through. There are so many more memories of events and conversations that I will forever hold dear. Everyone needs a Regina in their lives. I thank you Lord for the time you allowed me to have mine. To her children and family thank you for sharing her with the world. You're family is so blessed to have had her in it. In the days to come know that she's there. Laughing, smiling. You will feel her presence, her love. You were and are her world. Love you all!
