“ *The other day Ladybug's Mom broke down. She misses her Baby. I often wonder about today. What would she be doing? We are grateful for the time given. The world has changed, I just wish she was here.* ☐

“ *I was thinking about my Ladybug ☐ today. I miss her so much and I know she is watching over her Mom and me. If you met her you will smile and laugh for hours. Everyday I think about how I was blessed to have her in my life. MiMi love and miss you to the Heavens and Beyond.*

“ Lord I miss her so much! The only way for me to make it each day is talking to you. I always have her in my heart, but it still hurts so much. Sometimes I can't allow myself to think about that day. I am depressed and I don't know my tomorrow. Please just kiss her jaws and say MiMi loves you so much!
