“ Bob was a year ahead of me in high school and a star player on our football team. He was an unbelievable athlete and an even better person. He was incredibly jacked and easily the most flexible (muscle-wise) person I have ever known. Anyone who ever saw it will never forget the sight of Bob McCall soaring through the air to block a punt or field goal!

Bob was a natural leader with an easy going personality and an ever present smile. Many of us younger guys looked up to Bob, and he was a hero to me. In those days, a high school kid would never approach another guy and say, "You're a role model to me." But now I wish I'd have communicated that to him somehow.

After high school we all went our separate ways and I lost track of Bob. But my brother-in-law heard him speak and met him about 2 years ago, they got to talking and apparently he remembered me. My brother-in-law came away extremely impressed and inspired by this Mighty Man of God.

Godspeed Bob. May perpetual light shine upon you.

“ I meet Bob McCall about three years earlier in a barbershop, I'm in total shock I'm just now finding out about him not, but like I said I met him in a barbershop, I had hair then, I drove a car with Pittsburgh Steelers head rest and he almost ran into the barbershop asking who car was that with those Steelers head rest and I said that I owned the car, by the way I was wearing yellow and black Jordans and a Pittsburgh hat he scanned the room his eyes locked in on me soon as I got the words out my mouth we talked for an hour about football, but I will truly miss Mr. Bob dearly

“ I just learned of Bob's passing. I first met Bob at a USOLN conference in Florida a few years back and I was inspired by his knowledge and passion for the utility industry as well as the many positions he held. I'm deeply saddened by this news. My sincerest condolences to his family and friends.
Rest in peace Bob.

“ I only recently heard of Bob's passing. I worked with Bob at Progress Energy / Duke Energy. One of the sweetest people on God's earth. He always had a kind word for everyone. He will be missed, but heaven is a little brighter with Bob's smile.

“ I was fortunate to have met Bob during his time at Progress Energy/Duke Energy. We worked on several committees and initiatives together and traveled to meetings in Gainesville, Wildwood and Savannah, GA often. I grew up 35 miles west of Pittsburgh in East Liverpool so we always had the Steelers, Pirates and Penguins and all things 'burgh to talk about, 'Yinz.'

Bob was such a driven and motivated guy. I remember once having the hotel room next to his. About 4:30AM I heard a rustling over there It was Bob heading out to a local gym for his 5AM workout before our meeting. Such an inspirational man. It's too bad we don't have more people like Bob. He will certainly be missed. My heartfelt condolences to his family, friends and colleagues.

“ *Bob was my friend for over 10 years. We met in Wilmington, NC at a local corvette show and had many good memories over the years. He was a very special person who made you feel excited to see him or hear his voice. He always started a conversation with me as "hey brother how are you doing?". I will always remember him and learn from his kindness and positivity. I pray for Bineta and Bob's entire family. I love him and will miss his dearly. Until we meet again my brother.....*

“ Today I was made aware of my Dear Friend in Christ, Bob McCall's life transition. I was blessed to have met Bob several years ago, serving as his Business and Executive Coach during his job transition from Duke Energy. We fast became more than business acquaintance's but Brothers in Christ. Although we lived many miles apart, him in Charlette, NC and I in Chicago, IL., we cultivated a special friendship bond and remained so to this very day.

God could not have provided Bonita with a more spiritual and loving husband. There was never a time during our conversations that Bonita was not a part of our conversation. God could not have provided his neighbors and friends with a more caring and loving friend. That he will surely be missed cannot be overstated. My love and blessings are with all, both church and immediate family and friends.

I am thankful and humbly grateful to God for Bob's blessings in my life.

“ We met Bob on June 6, 2020 at a Queen City Corvette Club charity event. We struck up an instant conversation since we both had on Steelers face masks. Bob explained his Steeler Family and immediately invited us in. Even though that was only five months ago, it seems like we have known him and Benita forever. Bob was a devoted husband, gracious, funny, kind, respectful, courteous, thoughtful, a rabid Steeler fan and had the energy of the energizer bunny. There are not enough words to fully describe him. Bob McCall was a good good man and a great friend. He is missed. Our thoughts and prayers go out to his family.

“ Our sincere condolences in the passing of Bob. When we first moved to Stonewater, Bob stopped and introduced himself and welcomed us to the neighborhood. I mentioned I was from Erie, PA. and then we talked about the Pittsburgh Steelers. If Bob saw me outside, he would always blow the horn and wave. Even our grandchildren knew Bob and when they were over they would wave had say "Hi Bob". I can honestly say Bob was one of the nicest people I have ever met and he will be sorely missed.

God Bless...

“ We can never forget that warm and welcoming smile that Bob present to everyone that he can in contact with. He loved the Lord and loving serving others. I always love to here his famous words on Sunday (1 2 3 Honor God). My heart is broken today, but you are rejoicing in a much better place. Another angel that took their flight.
