“ Howard and family you have my sincere condolences. I just saw this and I had to reach out to you all. Roberta and I met many years ago and she was my hair stylist for a long time. She was always such a honest, humble and professional person. I will continue to keep you all lifted up.

“ My sincere condolences to the family and husband of Roberta. I've known Roberta from growing up in the Druid Hills community. We attended elementary, junior high and high school.

Roberta was a very nice person, always willing to help as well as offer words of encouragement. Over the last few years, we talked frequently. I will miss our conversations and laughs. Rest in peace Roberta.
