“ Ruth Stevenson was my 6th grade teacher, she taught us a lot and shared stories with many of us children, I’m grateful for the life advice from her and I’m appreciative that she was always such a beautiful person inside and out, one thing I always loved is how she could just brighten a room with her smile, I also loved how she looked at us, she looked at us like we ment something and she showed us that we weren’t worthless, I’ll be something great in her honor❤️

“ Ms. Stevenson was hands down the best dressed, hair slayed diva on our street. I used to pray when I grow up I would be half as classy as her. She will definitely be missed. The Stevenson family always made me feel apart of their family. My condolences to the family. XOXO Becky❤️💕
