“ we will miss her she was such a sweet little girl that we enjoyed growing up with. me (Shelia ) , Karen and Sharon sat up one Christmas eve and watched Bonnie and Joe carry in presents. The next day we had a great time opening gifts and enjoying each others company.

“ I am so sorry to hear about Sharon's passing. I had not seen her since she was 14 but thought of her often. She was such a beautiful young girl the last time I saw her and such a joy to be around, full of life. I often ask my brother her dad about her whenever I saw him, but he would always say he had'nt heard from her. I wish I could have seen her again, to tell her how much I Loved her. She was a special niece to me and I would always love to see them come and visit when she was a little girl. My thoughts and prayers are with her children, lean on God and he will help you through this difficult time. My deepest sympathies, Lexie
