“*Mrs. Sharon was more than a co-worker twice over she was my friend. One of my fondest moments with her was while we in a contest to loose a few extra pounds. Mrs. Sharon would come in with her chicken from some take out and make us all laugh about how she had to eat and how she wasn't going to make it on rabbit food. If you fail to see the humor, I guess you had to be there. I now find myself more than happy I was. It was a joy to work along side her and share our lives with her. She will truly be missed not only in the retail world where she dressed and helped so many, but also in the lives of all her friends and family. Truly Tomika Clark*”
