“ Shirley was a true friend for over thirty nine years. She was a kind person always willing to help others in their endeavors. We go back to the Cord-Board days at was was Southern Bell, Bell South, and now AT&T. She always welcomed new employees, to help them adjust as she was very knowledgeable about her work. It was where we forged a lasting friendship on and off the job. She will truly be missed by me and my family. Edwina & Ernest Lytes. She has moved on from labor to reward!!!!!!
