Sophronia will be known as a (Christian) child of God, Sister to three, Mother to six, Nana to eighteen, and a friend to most. She loved her family unconditionally and could not get enough of spending time with each of us. She will always be remembered for not giving up and instilled one of her

favorite verses with us ... I can do all things through Christ which  
strengtheneth me Philippians 4:13

Even though she isn't here physically there is a part of her in each of us. We  
have been blessed to share a moment in time with her and she will NEVER be  
forgotten.

We will always love you

“ I remember during one of our bible studies many years ago - “experiencing God” by Henry Blackaby; - I was sitting in Ms Sophronia’s living room, 7 months pregnant, room full of ladies; watching the video portion of the lesson & feeling very worrisome & anxious. I had thoughts that something bad was going to happen to my unborn baby - - - in the midst of these thoughts, Ms Sophronia stopped the video & said to the everyone “ladies, we need to pray for Lee-Ann’s baby” - right then & there they laid hands on me & prayed. Ms Sophronia had no idea in that moment what I was thinking or feeling but she was instantly obedient to what Our loving God asked her to do. God knew what I needed & used Ms Sophronia to comfort me with a very real experience of who God is - Comforter; One who knows all things.

I always admired Ms Sophronia’s love for the Lord; her heart that desired for all to know our savior in a very real way & her obedience to Gods leading. My favorite times were spent at Panera bread having lunch together on our birthdays as we were only one day apart. She loved my 2 daughters as her own.

Thank-you ms Sophronia for all your love, hugs, squeezes & kindness shown to me from the day I met you. I will forever treasure our times together crafting, eating & praying. I will miss you till eternity.

“ I am so sorry for your loss. May Sophronia's memory be for a blessing. Sophronia became my closest friend when I moved to NC 13 years ago. She was always encouraging me in Adonai and pushing me to move forward. We would argue Scripture and pray for each other and our family's. There is not one day that will go by that I will not carry her in my heart. See you later my sister.

“ Sophronia, you are now with the God you loved so much and HE loved you. i believe God is grateful to have you.  
I am grateful you mentored me and guided me back to God. I was just holding Bible you gave me on March 9,2009.  
You were also my friend, I enjoyed getting together to watch the Panthers games as recently as January. We didnt watch much game, just talked and laughed.  
I loved you and will miss you terribly. I know you will always be with me and watch over me.
