

## Tajh Antonius Wimbush

August 8, 1991 - December 21, 2025

Tajh Antonius Wimbush was born on August 8, 1991, in Michigan City, Indiana, to his loving parents, Edtrina Hollis and Antonio Wimbush. He entered eternal rest on December 21, 2025, leaving behind a legacy of love, joy, and unforgettable memories.

Tajh was always the life of the party and brought his infectious energy anywhere he went, generating smiles all across the room. He had a natural gift for bringing people together and making every moment feel special. A proud and devoted father, Tajh deeply loved his children. He also had a strong passion for music and enjoyed rapping and singing as a form of expression. Spending time with family and friends was something he truly cherished.

During his high school years, Tajh excelled in football, earning Player of the Week honors and receiving multiple college offers, a reflection of his talent, dedication, and determination.

Tajh will be remembered for his vibrant spirit, his passion, and the love he poured into those around him. Though his time with us was far too short, his impact will live on forever.

He is survived by his daughter, Taraji Journee Wimbus, his son, True King Wimbush; his sisters, Ariana Wimbush and Ny'Asia Houston, his brother, NeQuan Houston; his parents, a host of cousins, aunties, uncles, extended family, and a wide circle of friends who will forever cherish his memory.

May his spirit live on forever with us and in all the memories we will cherish

forever.
