“ *Talisha was a brief but so special and memorable person in my life. I worked with her at an animal hospital but I moved and we lost touch. I think about her a lot, her gentle way with the animals, her warmness with the people and her awesome sense of humor and laughter. We had some laughs! She was always inviting me to do things and we always had so much fun. I am so sorry to be so late to learn of this tremendous loss. My deepest condolences to her dear family and friends. I will always cherish and honor Talisha’s joyous spirit.*
