“ *Hello Buddingtons,*

*This is O. Neely, Tatiana's eight grade math teacher from Southwest Middle. I am deeply saddened to hear of Tatina's passing. She was such a pleasant spirit. I only saw her once after Southwest and that was when she worked at the movie theatre. We spoke briefly. It was good to see her.*

*It's June, so I'm not even sure if you all will ever read this, and if you do, i don't think there's a way you can acknowledge this. That doesn't matter to me. Just know that I hope you all find strength in each other after such a loss.*

*Tatiana, I know you have a strong spirit. Hopefully, you got that spirit from your mother. Maybe you two can keep each other encouraged and motivated to keep your sister's spirit alive in your hearts.*

*Continue to be strong and do all you can to keep Tatina's spirit alive.*

*O. Neely*

“ Tatina, my heart aches but nothing can erase the precious memories I have of you. Your life was a blessing and I will cherish the memories and times I spent with you and mummy and Tatiana , always, little one.

Diane, I have never forgotten; I am at a loss to find words to express the depths of my sadness and condolences for the the loss of your baby girl. ‘Do not be discouraged, for the Lord your God will be with you wherever you may go.’ Please know that I hold you in my heart and I am thinking of you and praying for you always. I love you.

“ Many blessings to Tatina's immediate family. I am truly sorry for your loss. I am a co-worker of Tatina's at Global Payments Integrated. Although a quiet young lady, she came across as very nice and kind. The few times I had the opportunity to talk to her she always had a bright and warm smile. Blessings to her memory. Jorge M. Moya
