“ *Teri was my mother and a beautiful girl. She was everything that I felt I had to learn to be when I felt alone in the world. She was funny. She was caring. She was kind. She was courageous. I miss her dearly. I wish that when I was born that I could have been that spark of inspiration that she needed to overcome her troubles. I wish I could have been the comfort she needed when her trials were too tough. I wish I could have been many things but most of all I am proud to say that I am Teri's daughter.*
