“ Tiffany has always been a precious person. I knew her as we worked together at BGEA. Our departments were right beside each other. I walked by her desk multiple times a day. She was always kind, always smiling and always loving. My last day at BGEA was Friday, August 16. She made sure she stopped by on Thursday in case we didn't happen to see each other Friday so she could say, "goodbye" to me. We laughed because we knew we would see each other on Friday as well, and we did. She was a beautiful person inside and out. I'm sorry that I missed her Homegoing. I am praying for all who called her family and friend. She will be greatly missed. Much Love, Katrina Maloney
