# Tribute Wall

“*Doc was the strongest person that I knew. He also was the smartest. He loved to demonstrate how Mohammed Ali would punch his opponents. You would be in the demonstration if you was within his arm length while demonstrating. They got beat up a little. I made sure that I was on the opposite side of the group when he started. It was so funny to see their faces when he reached and grabbed one of them. Thanks for the memories big brother.*”
