“ *Im sorry that I can be there today, I know you understand and thinking “sis don’t trip”. I’m glad that I got to experience what it was like to have a big brother. We talked about everyyyything, I’m gonna miss our talks and you joking and telling me about football and about how you finna smash your food lol I could go on and on, your at peace now and no more pain and suffering. I love you always and forever*
