“ Angel Howze lit a candle in memory of Vivian Howze Brooks

“ My heart goes out to my extended family. Mabit (auntie), always lived her life to the fullest and expressed herself in only the way that knew how and that was to be real. She was not afraid to be who she was. She loved her family and most of all her children, grandchildren, and great grand. She welcomed me into the family with open arms and became my aunt from day one. She will truly be missed. I love you and I miss you already. Rest in paradise you deserve peace. Bookie 🤔🥹

“ *I love you Nana . I will always carry you within my heart and soul. I will always remember your laugh and always remember the good times we shared together as a family or even just us together. Words can never be enough of how much love and happiness you had around us. Rest easy my lovely grandmother.*
