“ Bro Wayne was a soft spoken but very committed individual to the people and things he loved. Especially when it came to his church. Wayne Loved the Rock Worship Center. The Rock reciprocated that love by loving him right back. We are so saddened by his loss, and we pray for strength for his family. As Sr. Pastor of the Rock, I recall a funny moment when Wayne had taken ill and I went to his home to pray with him. I didn't know he loved cats. He also didn't know that I was severely allergic to them. I came into Wayne's house and sat down. Out of nowhere, like 10 cats descended on me and around me. Wayne said, what's the problem Pastor. I said nothing yet, but in about two hours your gonna think I'm the Elephant man. Lol

The strange thing, is that on that day, I don't recall having a reaction to those cats. God is good all the time. He was also good to Wayne. Rest my brother in the Lord! I'll see you on the other side!!
