“ I am so glad people are still posting and sharing memories. I love you Wil. I'll never forget that insane and endless prom night downtown Charlotte. We legit went through hell and back. Skating and freestyling with you and Rob at Blacksheep too. I still think about you so often 10 years later Wil! You made such an impression on me in the short time I knew you man. I hope you're in a wonderful place and that I'll see you again someday my good friend. Robert if you see this make a Facebook so I can get in touch with you lil brother!
