“ *My fondest memory of Zack, will forever be...me and my husband taking him to the store with us!  
I was to be sixteen years old the day after Zack was born, there is only a day between our birthdays. We always shared that comradery. The older siblings didn't even believe Doe was pregnant again(lol).*

*At any rate, back to my story...So we are in the store and my husband and I are both holding his hands, he is just about 3 1/2yrs, maybe four. As we walked around, a gentleman approached my husband and said "your little boy is so cute"! William looked at Zack, then back to the man, and "said that's not my little boy, that's my brother-n-law". as a family we would still crack-up laughing at the incident.*

*Zack was always good looking, he was loved and he will be sorely missed!*

*Your big Sister Naomi*
