“ *We would like to express deep sorrow for your loss. We knew Mr. Wilson for a very long time and shall always remember him. He was the most kind hearted friend and father that. In fact, I shall always be thankful to God for the loving friend that he blessed our kids with. I know that if they could not come to us with a question then they could ask him. I feel that your loss is a loss to all the people who knew him.*

May God bless his soul and complete all his wishes. Our thoughts and prayers are with you, and we are sharing the burden of this great grief. May God bless you.

With love and sympathy,

The Patrick Family, Curtis, Pam, Kavell, Chanell & Channon.
