“ She was my best friend at piedmont and West Charlotte. If you went to middle school with us you already know, she was my ace, loved and held me down. I remember when she told me she jumped on top of the trailer to see boys 2 men. We used to make each other laugh all the time. I lost contact with her after high school, but when i did see her it was like we never lost contact. I love you Kia! - Marlon
